## Laundry top tips

- Check all pockets before washing for any foreign objects 
- **Do not wash duvets or pillows**
- Do not over or under load the machines - Stay within the load level lines 
- Select the best wash and drying programme 
- Use a liquid pod or liquid detergent with a reusable dosing ball directly into drum - Making sure to keep the detergent within the ball 
- Make sure all clothes are clear of the door 
- Clean the lint filter before and after using the dryer
